

2012-2013 Intentional Teaching: Literacy Survey Links

Dear Intentional Teaching: Literacy Participant,

Below is a list of web links for each of the surveys associated with *the Intentional Teaching: Language and Literacy Development for All Young Children* module you are currently attending. These surveys will help ecQ-net and the APPLE:Ohio research project in their data collection. Your assistance in completing these surveys is greatly appreciated.

Your instructor will remind you when to complete each survey throughout the presentation.

If you have difficulties accessing any of the surveys, please contact Kathy Rider, rider.50@osu.edu.

Thank you for your time and cooperation,
